CUISINE & COCKTAILS

Original sketch of the Broadwell House, now Milton's Cuisine & Cocktails

/ HISTORY OF OUR HOUSE /

The site of Milton's Cuisine & Cocktails consists of two historic buildings. One being Mr. John Broadwell's home circa 1860. The house was saved and relocated to our current location from just down the road. Our bar area was a house built in the 1830's and was referred to as "The Old Homeplace". In 2006 the restaurant was carefully crafted to uphold it's unique history in which it's known for.
