*The site of Milton's Cuisine & Cocktails consists of two historic buildings. One being Mr. John Broadwell's home circa 1860. The house was saved and relocated to our current location from just down the road. Our bar area was a house built in the 1930's and was referred to as "The Old Homeplace." In 2006 the restaurant was carefully crafted to uphold the unique history in which it's known for.*
