/ HISTORY OF OUR HOUSE /

The site of Milton's Cuisine & Cocktails

consists of two historic buildings.

One being Mr. John Broadwell's home

circa 1860. The house was saved and

relocated to our current location from just

down the road. Our bar area was a house

built in the 1930's and was referred to as

"The Old Homeplace". In 2006 the

restaurant was carefully crafted to uphold

the unique history in which it's known for.
